Penalty amounts look fine – they always get negotiated it seems.

You all should send a clean copy to Doretha for review of the payment/cost recovery sections if you have not already done so.

Anne,

I've gone through the draft CD & cleaned it up, made CD & SOW consistent, fixed paragraph references, etc. – please review. Also, does the Admin Record look OK? I will have it finalled after I hear from you.

Kevin (if you still have Gulfco now),

Please check the penalty/payment sections (or anything else) & revise as necessary.

Thanks,
